June 9, 2026

NOTICE

(For 2nd Year / 5th Sem & 3rd Year / 7th Sem Students)

Subject: Guidelines for Mandatory Summer Internship / Industrial Training (June–July 2026)

This is for the information of all B.Tech. students that undergoing a 4–6 week **Summer Internship/Industrial Training** during the months of **June–July** is a **mandatory academic requirement** as per the regulations of **Guru Gobind Singh Indraprastha University (GGSIPU)**.

Students are advised to carefully note and comply with the following guidelines:

1. Prior Approval Mandatory

Students must obtain prior approval from their respective Department and secure a **No Objection Certificate (NOC)** before commencing any internship, industrial training, research project, or certification programme.

2. Non-Acceptable Internship Certificates

Certificates obtained through the following shall **not be accepted** for internship evaluation:

- Self-paced online courses without institutional supervision
- Sole proprietorships or partnership firms owned by relatives/family members
- Non-proctored online learning platforms such as Udemy, Coursera, edX, etc.

3. Eligible Internship Options

Students may opt for any one of the following:

- Industrial Internship in a registered company, industry, research laboratory, or government organization
- Research Project under a recognized academic institution, university, R&D organization, or national laboratory
- SWAYAM/NPTEL course of minimum 6–8 weeks duration with successful completion of the **in-person proctored examination**

4. Registration within Three Days of Selection

Within three days of receiving the internship offer:

- Students must submit a copy of the offer letter to the Department.
- The host organization must send a confirmation email to the Department's designated internship email address.

5. Weekly Progress Reporting

Students shall maintain a **Weekly Internship Logbook** and submit the same to their assigned Faculty Counsellor every Friday throughout the internship period.

6. Mid-Term Verification

During the first week of July, the Faculty Counsellor may contact the Industry Supervisor through telephone or email to verify:

- Attendance
- Participation
- Assigned work
- Professional conduct

7. Final Report Submission

At the completion of the internship, students must submit:

- A spiral-bound technical report (approximately 60–80 pages)
- Final presentation slides

8. Mandatory Supporting Documents

The final submission must include:

- Each student is required to submit the required details of internship data through the given google form by first week of August 2026.

Google Form Link: <https://forms.gle/8ZfpFL5krBX6LA3A8>

- Company/Organization Certificate duly signed and stamped
- Industry Mentor Feedback Form
- Student Feedback Form
- Course Exit Survey

9. Internal Evaluation (40 Marks)

The Faculty Counsellor shall evaluate students based on:

- Weekly logbook maintenance
- Professional conduct
- Regularity and participation
- Continuous progress during the internship

10. Departmental Evaluation (60 Marks)

The Departmental Faculty Panel shall evaluate students based on:

- Quality of the technical report
- Project presentation
- Viva-Voce examination
- Learning outcomes achieved

Important Instructions

- Students must maintain the highest standards of professional ethics and discipline during the internship period.
- Any false information, fabricated certificates, or non-compliance with the guidelines may lead to rejection of the internship and disciplinary action as per Institute and University rules.
- Students are advised not to wait until the last moment and should complete all formalities well in advance.

Official Communication

All official communications, approvals, offer letters, confirmations, progress reports, and internship-related correspondence must be sent only to the designated internship email address of the respective branch/department.

Students are advised to strictly adhere to the above guidelines to ensure successful completion and evaluation of their Summer Internship/Industrial Training.

All official communications, approvals, and reports must be sent directly to your branch's specific email:

CST: internship.cst@mait.ac.in

For any query the students can approach to their respective HoDs and may contact the following Faculty Members of Central Internship Cell of the Institute:
